Secure Online Payments

This secure link is created and hosted by AffiniPay, reducing the need for costly shopping cart systems and development time. The Secure Payment Page eliminates the need to handle or store sensitive member card information. Simply plug the secure link into your website, invoices, or email. Members have the ability to enter their own credit card information. You receive 100% of your deposit. Safe, simple, & secure!

Accept all major card brands through AffiniPay

Why AffiniPay?
